OCI manufactures a complete line of stainless steel grills and accessories to enhance your outdoor kitchen. We have worked with world class chefs to design the most efficient, ergonomic, products for your entertaining needs. We offer a complete line of outdoor stainless steel grills to fit anyone's culinary appetite. Our grills range in sizes from our portable table top 19" unit to a 48" grill suitable for large entertaining. The 36" and 48" products are both manufactured with the gourmet cook in mind. We offer both of our 36" & 48" grills with an adjustable low to high sear zone section for searing your favorite meat. The rotis motor will hold up to 50 pounds and incorporates a 50-watt halogen light for evening cooking. The grates are all made of thick 3/8" stainless steel. For those customers that would like to have the added benefit of portability we offer a complete line of grill carts that accommodate all sizes of our OCI grills.

Warranty

All grills are covered by a (1) year comprehensive parts and labor warranty. In addition, a five (5) year limited parts warranty covers specific parts that vary by model. Please see the product Use and Care Manual for the specified parts covered under this warranty. A lifetime warranty covers all stainless steel components against manufacturer related defects. This excludes discoloration or surface corrosion resulting from improper use and care as well as normal use discoloration. Please refer to product use and care manual for proper care and maintenance.

*Because of continuing product improvement these specifications are subject to change without notice.
