

Rocket Roaster™

Outdoor "Dutch Oven"

Fast Cooking...

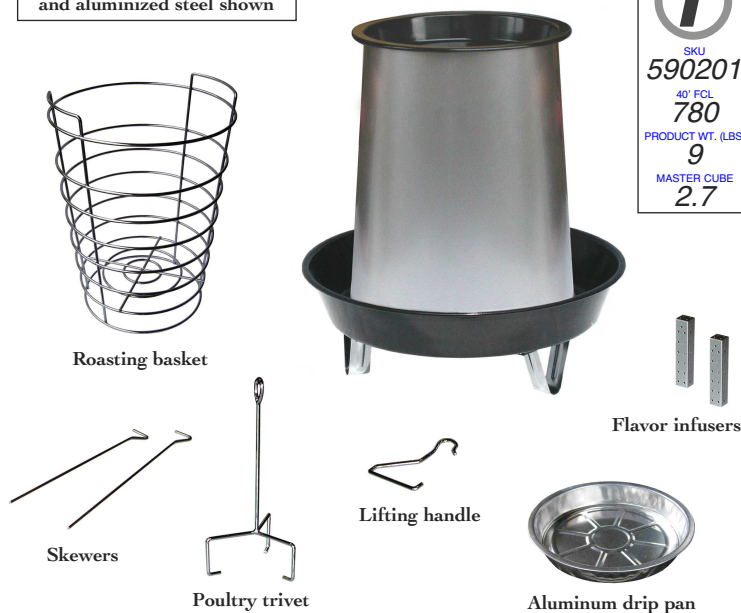

- Unique roasting chamber acts like a Dutch oven to seal in the flavor and juices of many types of food including turkey, chicken, pork, ribs, seafood, vegetables and more.
- Fueled by flavorful charcoal that is healthier and less hazardous compared to gas and oil cookers.
- Operating costs are 2/3 less than comparable gas and oil cookers.
- Roasting chamber is large enough to cook up to a 14 lb. turkey in 2 1/2 hours.
- Easy to use and cleanup.
- Roasting basket, skewers, poultry trivet, lifting handle, aluminum drip pan and flavor infusers are all included.
