43" Super Sky Fire Pit in Georgia Clay

PRODUCT DIMENSIONS (L x W x H)
43" x 43" x 23"

The Super Sky has 41% more burn / cooking space vs. the regular Big Sky Fire Pit.

Super...

- Large and unique, the Super Sky has the capability to burn a large amount of firewood for super fires.
- The stylish star and moon cutouts create an incredible ambience at night!
- Sturdy steel construction designed for easy assembly.
- Offers 360° viewing of the fire.
- Super-size enamel cooking grate included.
- Other features include a full-diameter handle, spark guard and poker.
- Weather cover available.
