*As required under certain conditions.

Scion Extra Care Protection plans for new vehicles do not cover maintenance items such as but not limited to: bulbs, trim, mouldings, glass, lenses, paint, exhaust system, brake pads, linings, upholstery, etc. These items are considered to be ongoing maintenance items and are the responsibility of the vehicle owner. Further details on owner's responsibilities are found in the Scion owner's manual supplement.

These pages are intended to provide an outline of Scion Extra Care Protection plans. For detailed information, see your Scion Dealer. Coverage is based on information available at time of publishing and is subject to change without notice.
