---

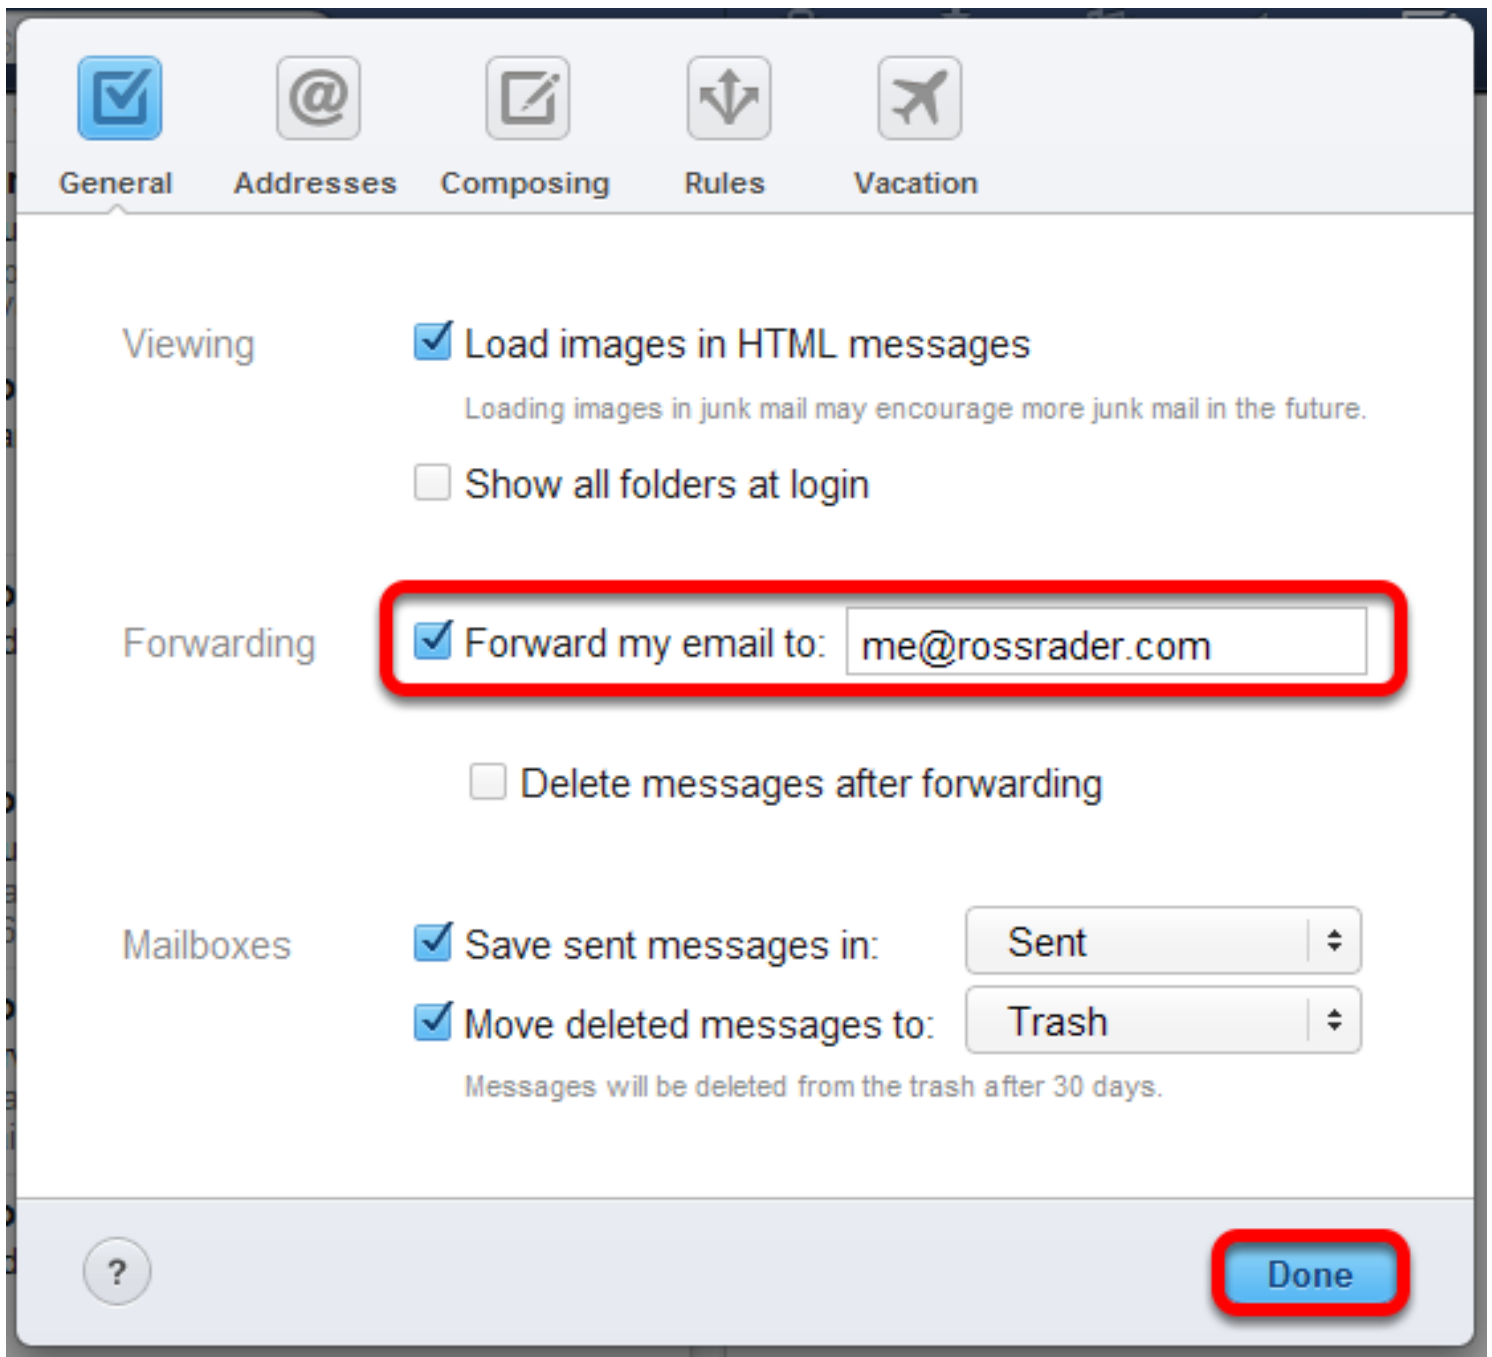

This tutorial will show you how you can receive copies of email messages sent to your MobileMe email address in your Hover email Inbox.

Visit <http://me.com> and sign in with your member name and password.

From your MobileMe webmail, click on the Actions button and select **Preferences**.

Put a check next to "Forward my email to:" then enter your Hover email address in the text box. "Delete messages after forwarding" is optional.

Click **Done**.

And that's it! Your Hover email inbox will start receiving copies of all email messages sent to your MobileMe account.
