

GBK Suspension

GBK

The superintendent shall have the authority to suspend licensed employees with pay pending further board action.

The superintendent may suspend licensed employees with pay if the continued service of such an employee jeopardizes the welfare or interest of students, other teachers and employees, school property, or the individual employee.

If a suspension without pay is imposed on an employee in accordance with the terms of the negotiated agreement, the employee is entitled to pay until the employee has been advised of the basis for suspension and has been given an opportunity to respond.
