Days missed due to inclement weather or other unforeseen occurrences will be made up on built in snow days in the order of availability. The superintendent or his designee has the authority to cancel school due to extenuating circumstances. Teacher professional development days may be exchanged (flexed) for other days if agreed upon by the principal and approved by the superintendent. Teacher professional development days used as snow makeup days will be added to the calendar at the end of the school year.

Act 286 of 2015 provides that if the superintendent cancels a regularly scheduled school day due to exceptional or emergency circumstances, the missed school day(s) can be made up by adding time to the beginning or ending of a regular school day for a minimum of sixty (60) minutes. Three hundred sixty (360) cumulative minutes equate to one (1) full day of school.
