Welcome to RAIDER NATION!

I am so happy that you have chosen the Nettleton School District and I hope that you will enjoy being a part of our Raider Family!

At Nettleton, we value the importance of education, and we stand by our position to do “whatever it takes” for each and every child to have a successful learning experience. As a district, we understand that we are preparing our students for their future, not our past. We provide a comprehensive education that inspires our students to be innovative in their thinking, empowered in their actions, accepting of others, and above all, a leader in our community.

Our excellence in education is long-standing, and our commitment to success is unwavering. Have no doubt...you have made the right choice by choosing Nettleton Public Schools, and I look forward to meeting each of you and thanking you for the opportunity to prepare your student for today's, and tomorrow's, ever-changing world!

RAIDER PRIDE IS JUSTIFIED!
