

STUDENT DISCIPLINE THREATENING BEHAVIOR (REGULATION)

FO-R

Threatening behavior is defined as an activity, which portrays that another person, persons, or property may or will be harmed or killed. As used in the School Bullying Prevention Act, "harassment, intimidation, and bullying" means any gesture, written or verbal expression, or physical act that a reasonable person should know will harm another student, damage another student's property, place another student in reasonable fear of harm to the student's person or damage to the student's property, or insult or demean any student or group of students in such a way as to disrupt or interfere with the school's educational mission or the education of any student. Harassment, intimidation, and bullying include, but are not limited to, a gesture or written, verbal, or physical act. Such behavior is specifically prohibited by board policy.

Any student exhibiting threatening behavior either verbally, in written form, or by gesture toward another student or school personnel or others while under school supervision shall be subject to the following:

1. The student will be referred immediately to a site administrator or his/her designee for intervention.
2. The administrator will gather and evaluate incident information and either (a) document the incident and place the student on a five-day probationary period, or (b) implement the following intervention procedure:
 - A. The student will be subject to an immediate suspension from school for a minimum of three days.
 - B. The student's parent(s)/guardian will be notified.
 - C. The Salina Police Department shall be notified.
 - D. A mandatory conference will be held with the parent(s)/guardian, student, school officials, and others as deemed necessary. ("Others" may include, but not be limited to, the following: police, Multi-County Youth Services, Office of Juvenile Affairs, Department of Human Services, and Child Welfare.) The conference shall take place as soon as possible.
 - E. The student must attend mandatory counseling with an appropriate counseling agency as determined by the school. The counseling agency will make recommendations to the school concerning the student's re-entry to school.
 - F. A conference shall be held with the site school counselor, an administrator, and the student prior to the student's re-entry to school. If it is determined that the student may not return to school, further counseling and/or alternative placement will be implemented. The student will be re-evaluated at a later date as determined by the school.

STUDENT DISCIPLINE OUT-OF-SCHOOL ACTIONS	FODD
---	-------------

The Board of Education recognizes that out-of-school conduct of students attending school within this district is not normally a concern of the board. However, the board believes that disciplinary action for conduct occurring off school property and not involving a school activity is proper if the conduct has an adverse effect upon the school.

Therefore, it is the policy of this board that any student attending school within this district will be subject to disciplinary action including, but not limited to, suspension from school for any conduct, which in the opinion of the school administrators, has an adverse impact upon the school.

Such activity includes, but is not limited to, the following:

1. Damaging school property, e.g. a school bus;
2. Engaging in activity, which causes physical or emotional harm to other students, teachers, or other school personnel;
3. Engaging in activity which directly impedes discipline at school or the general welfare of school activities.
