Principal's Corner

As we start a new year and a new semester, I would like to extend a warm welcome back to all our students and staff members who contribute to making Perez Elementary INCREDIBLE! A new year always ushers in the sense of renewal - a renewal of purpose and collective commitment to excellence in teaching, learning and service to our community. With this comes the firm resolution to achieve desired results and meet our goals and expectations. I am enthused by the many exciting ONE WORD CHALLENGE WORDS because each word brings us closer our goals! Collectively, we can and will achieve EXCELLENCE through INTENTIONALITY, FOCUS, PURPOSE, MOTIVATION, EFFORT and by REMAINING POSIVITE.

2019...the BEST is yet to come!
