Briefly explain why you are requesting out-of-district status to attend USD #264 School District:

I understand the following information will be reviewed including records from the school district the student is presently attending by the administration. This information may be used to **allow** enrollment in USD #264 or **deny** enrollment. Enrollment may also be denied if staff, facilities, equipment and supplies are not sufficient. Denial will terminate my out-of-district status with USD #264.

I understand each out-of-district student status will be reviewed on an annual basis, and the following criteria will be used to help determine annual enrollment status:

1. Attendance/Tardy record
2. Academic records
3. Conduct report – Including suspensions/expulsions from school
4. Involvement in school activities and positive support of all school activities
5. Citizenship outside of the school system

I have discussed this application for Out-of-District status with the building principal at USD #264. I also understand that by transferring to the Clearwater School System I may lose some KSHSAA eligibility for a period of 18 weeks. (grades 7-12 only) I know that attending USD #264 is a privilege, and by signing below I agree to follow the above mentioned criteria and expectations of USD #264 to remain a student in good standing.
