This year in Perryton Jr High we will be holding the first Annual School Talent Show of 2018. We had many participants trying out this past week. They were all nervous and excited at the same time most of them preformed in a group or will be preforming alone on stage to amaze you with their talent.

A lot of students have been wanting a

talent show for a very long time and that is why we are having one this year. The Host of this Talent Show will be Mr. Bigham. He will be introducing the kids and what they will be doing in the talent show.

While some of the students were practicing for the tryouts they were nervous and anxious about performing in front of everyone in the school.

So when asked "how did it feel when you tried out for the talent show?" 8th grader Tonya Sportsman said, "I was scared, nervous but I did really well and then I felt better." Then I asked her "what made you want to be in the talent show?" 8th grader Tonya Sportsman said "I like the feeling of being on stage and the support from my friends and family." When

asked "are you nervous for the talent show and why?" Here is what 8th grader Molly McGaughy had to say. "Yes I'm nervous for the talent show 'cause I'm not used to singing in front of people."

Good luck to all the participants who will be performing in the first annual Talent show and I hope that there is many more to come in Perryton Jr High!
