High School & Junior High Student it is that time of year again that Cloud County Community College is asking for your help with our **Summer Kid's College program**. The sign up clip board is in the High School / Junior High Office and we also have one in the Middle School Office for any 6th graders going in to Junior High. Again I truly appreciate your help with Kid's College and we could not host it without the Concordia High School and Junior High students' help. If you have questions, please feel free to contact Carleen Nordell at 785-243-1435 ext 344.
