

March 1, 2018

Dear MSA Families,

We invite you to join us in celebrating our school-wide student successes during our Knights of the (Third) Nine Weeks Program on Friday, March 23rd at 1:00 p.m. We are very appreciative to our EPO (Educators & Parents Organization) for their continued support. We encourage you to join them in organizing student activities and fundraisers as well as providing faculty support.

Educationally Yours,
MSA-E Administrators, Faculty & Staff

ACT WorkKeys

The state of Louisiana requires all juniors to take both the ACT and ACT WorkKeys assessments. For the ACT WorkKeys Test, our current school goal is for students to score at the silver level or higher. The Class of 2019 tested during the month of February and scored extremely well.

ACT and ACT WorkKeys make up 25% of our high school's school performance score with points being awarded for either a silver or higher on the WorkKeys test or an 18 or higher composite on ACT.

Achievement Level	Accountability Points	Percentage of Students in the Class of 2019
Platinum	134	9.5%
Gold	110.2	19%
Silver	70	52.4%
Bronze	0	14.3%
Below Bronze	0	4.8%
