

MSA East Student Progress Center

You may access your child's information online!

This includes attendance, grades, assignments, discipline, transcript, and state test score.

EdGear / JPAMS Student Progress Center

Go to <https://ipsb.net> and click on Parent Command Center
or <https://iberville.edgear.net/jpweb/>

First time users click "Register New User" otherwise use the sign in area.

To create a new account:

- "First Name" and "Last Name" should be the parent's or guardian's first and last name.
- "PSN" stands for **Parent Security Number** (the last 5 digits of your child's social security number). It is a five digit number used by the system to verify a parent. You will see the number under your name on the Student Information Form.
- When done, click "Submit."

You must complete all fields in RED to continue. If the information provided to make a new account matches the records in the system, you will be allowed to create a login and password.

Once you have successfully entered the information a message will indicate your account was created successfully. **Be sure you write down the account information** entered, since it is completely private and cannot be retrieved, even by school personnel. Click "**Login**" to access your new account.

After you sign in you will see your child's name and student number. Messages from school are displayed on the left. To add other siblings to this account, click the "**Link Students**" button.

Click the students name and you will see a page with tabs. By clicking each tab, you will see more information. This information is current and "real time." As soon as it is entered into the system by a school staff member, it is available on the Student Progress Center.
