

Student Participation Agreement

Crook County School District #1

1. I realize that representing my high school is a privilege. Because I choose to be an athlete or group member and represent my school, I choose to follow the rules and guidelines set down by the school and coach/sponsor.
2. As a representative of my school I will remain free from all forms of chemical abuse. I will not use, possess or transmit tobacco, alcohol, or any controlled substance prohibited by law.
3. If I am found in violation of rule #2 on a school activity or on school property, I will be suspended from the organization according to the guidelines set down in the board policy: (see board policy JFC-R). If the violation involves alcohol or tobacco:
 - a. **Tobacco:** A first violation shall result in a one-day in-school suspension; a conference with the principal, parent or guardian, and the student; and exclusion from participation in all interscholastic activities, excluding local meetings, for a period of 14 (fourteen) calendar days or 2 (two) contests, whichever is longer. (Refer to training rules for action taken against the student as an athlete.) A second violation of the above rule shall result in in-school suspension of a student for up to 4 (four) days and from participation in all interscholastic activities, excluding local meetings, for 70 school days. A third violation of the above rule will result in up to a six (6) day out-of-school suspension and/or expulsion from Crook County schools for up to one year.
 - b. **Alcohol:** A first violation shall result in an in-school suspension of the student for 3 (three) days and from participation in all interscholastic activities, excluding local meetings, for a period of either: [1] thirty-six (36) calendar days; or [2] a reduced suspension consisting of fourteen (14) calendar days (no competition or 2 (two) contests, whichever is longer), if a confession is made prior to the next school day to a coach or administrator. A second violation of the above rule will result in an out-of-school suspension for up to 7 (seven) days, suspension from participation in all interscholastic activities, excluding local meetings, for 70 school days, and/or expulsion from Crook County schools for up to one year.
4. The 14 calendar or 2 contest suspension can be used only one time in any school year. Any violation in any activity after that will result in expulsion from all interschool competition for 88 school days.
5. If found in violation of the school policy on alcohol, tobacco, or controlled substances, I will be ineligible for All Conference and All State honors during season in which the violation occurs.
6. I will support the organization in mind, word, spirit and effort at all times. Cooperation, teamwork and sacrifice are the keys to success.
7. I will be on time whenever time is involved. If there is a contest on a weekday, I will be in school the following day. Consequences for being late or absent are at the discretion of the coach/sponsor.
8. I will exhibit sportsmanship at all times and show respect for my fellow players, the opponents, coaches, and officials.

9. Playing or competition time is not guaranteed and is at the discretion of the coach/sponsor.
10. Any behavior detrimental to the welfare of the school's or team's image (such as vandalism, stealing, obscene behavior, etc.) can result in suspension or expulsion from the team.
11. This agreement will be in effect during the school activity/activities in which the student participates.
