

# APRIL

## “Student of the Month”

# SHELLSEA HARRISON

**Senior Shellsea Harrison is our April Student of the Month. Shellsea is the daughter of William and Christina Harrison. Her favorite class is math because she is always been good at it, and she has really enjoyed her Transitions to College Math taught by Mrs. Moore this year. A student in our Orientation to Teaching class, Shellsea eloquently introduced the Arkansas State Teacher of the Year at a school-wide assembly.**

**The Vice President of the AHS choir, Shellsea is described as being a diligent respectful student with a kind disposition. She plans to attend UACCM or Arkansas Tech University to study accounting or education. Her mother is her inspiration because of her hard work ethic. Shellsea is the type of student I can always count on to make good decisions and to set an example for others. She exemplifies Red Devil Pride each day.**
