Assistant Principal

Kayla Bush

Counselor

Dear Wampus Cats,

I hope this letter finds your family healthy and optimistic.

All East Leesville faculty and staff wish to express our appreciation for our amazing Wampus Cat families who continue to communicate often with teachers and administrators.

Our state and district leaders have been in constant communication as it relates to ensuring that the physical and educational needs of our students are being met in the days to come. For our part, we are determined to help ease the strain of trying to find reliable resources for home learning activities.

Vernon Parish Schools will be offering supplemental learning options in two formats: online and in print. These materials are to support and reinforce content previously taught to your child and are aligned to our state's standards. While this will not take the place of regular classroom instruction, we encourage our students and families to utilize these resources to supplement learning at home. These items are for enrichment purposes only. Completed work will not need to be returned to the school. For all information and resources as it pertains to our district, online learning resources, and the COVID-19 pandemic visit www.vpsb.us. This website will be updated as new information is released.

School offices throughout the district will be open Monday through Thursday 7:30am.-1:30pm. Lunches will be provided for all VPSB students beginning on March 23, 2020, 11am-12:30pm. Please bring your East Leesville student to pick up their meals at Vernon Middle School. During this time printed resource packets can be picked up for your child. These packets will be available for multiple grades at each meal site in designated schools.

We will strive to keep our East Leesville Community well-informed while upholding our school's motto to **Be The Best You Can Be At ELE**. Thank you for your flexibility, patience, and cooperation. Take care of yourselves and one another. Please do not hesitate to email me at kristie.beasley@vpsb.us with questions or concerns.

Sincerely,

Kristie Beasley

Principal
