UIL Results

2nd Grade through 8th Grade

December 11, 2014

Wow!

What a great job our students did! Please review the accomplishments below and let the students know what a great job they did. UIL academics is a huge undertaking with many students and staff working hard without ever receiving an award of any kind. If your child is not on this list they may still have earned your praise for their efforts. Please join us in supporting all of the students who participated, especially those below who earn recognition for Buckholts School.
