School District Leadership

BOARD OF TRUSTEES

Paris ISD has been fortunate to have quality leadership from community members who have been elected to serve on the Board of Trustees. This seven-member body governs and oversees the management of the school district and adopts a budget and policies for the district. The Board has diligently worked to provide stability and vision to ensure that excellence continues for future Paris ISD students.

The Board fulfills the state requirements that the district and each campus establish annual goals and performance objectives. The Board is pleased to publish this report, which describes the educational performance of the district and campuses for this past school year.

Front Row: Rebecca Norment, Dave Eisele and George Fisher
Back Row: Alan Boyd, Carolyn Lockett, Dr. Bert Strom and Dale Henry

District Profile

OUR MISSION IS...

To provide a quality education to a diverse student population, enabling each to achieve full potential and become a productive, responsible citizen.

DISTRICT PROFILE

Located in Northeast Texas and encompassing 23 square miles in Lamar County, the Paris Independent School District is fully accredited by the Texas Education Agency and the Southern Association of Colleges and Secondary Schools. The staff of the school system strives for first-rate quality in the delivery of instructional and support programs for over 3,790 students enrolled in the district. This exceptional learning environment is enhanced by community pride, parental involvement, innovative programs, outstanding facilities, and a dedicated staff.

PROGRAM ENROLLMENT

	PISD	State
Bilingual/ESL	5.7%	16.1%
Career & Technology	18.7%	21.3%
Gifted & Talented	10.5%	7.6%

The new Paris High School was approved by the community in 2007 and opened for classes on September 7, 2010.

Paris High School:

- ♦ Located on 73 acres
- ♦ Approximately 200,000 educational square feet
- ♦ Energy Efficient
 - ♦ Occupancy Controlled Lighting
 - ♦ Natural Lighting
 - ♦ Most Energy Efficient HVAC System available
- ♦ Front Entry - secured vestibule and only entry after school starts
 - ♦ North Entry - Performing Arts
 - ♦ South Entry - Gymnasiums
- ♦ Capacity - Core Spaces for 1200 and Classroom Spaces for 1000
- ♦ Wide Main Street
 - ♦ Side streets lead to carpeted classrooms
- ♦ State of the art classrooms
 - ♦ Ceiling-mounted data projectors
 - ♦ Smart boards
 - ♦ Speaker systems
 - ♦ New computers

- ♦ SUDDENLINK Cable
- ♦ Library Media Center
- ♦ Building is both hardwired and wireless
- ♦ Lap tops for each
 - ♦ Junior student
 - ♦ Senior student
 - ♦ Teacher of juniors and seniors
- ♦ Freshman Center Classrooms Wing
- ♦ CTE Ag and Welding Shop
- ♦ Green House
- ♦ Tennis Courts
- ♦ Common Student Areas
 - ♦ Interior Dining Space
 - ♦ Courtyard and Plaza just outside the dining area
- ♦ Elevator
- ♦ Campus-wide Security Cameras

We are striving to be as "eco friendly" as we can with landscaping and maintenance, using both plants and techniques that require a minimum of water, fuel, and time to maintain.

WordMasters Challenge

Several Paris ISD students from Aikin Elementary, Justiss Elementary, Crockett Middle School, and Travis Junior High School participated in the WordMasters Challenge during this past school year.

Codi Clark has won highest honors for her individual achievement in the WordMasters Challenge in school year 2009-2010. She earned perfect scores in all three of the year's meets and was one of only 15 fifth graders in the entire country to do so.

Other Paris ISD students who earned perfect scores on one of the three challenges this year are: Cade Estrada, Matthew Cochran,

Jake Ensey, Dalton Kee, Anthony Rizzo, and Shelby Wilson. Arleigh White, grade 5, earned perfect scores on two of this year's contests.

WordMasters Challenge is a national language-arts competition for students in grades 3-8. Over 220,000 students enter this contest annually which consists of three separate meets held at intervals during the school year.

The WordMasters Challenge is an exercise in critical thinking, which encourages students to become thoroughly familiar with a set of interesting new words that are considerably harder than grade level. The exercise chal-

lenges them to use words to complete analogies expressing various kinds of logical relationships. The reasoning ability developed by students participating in the WordMasters Challenge is like the aptitude measured for high school juniors and seniors by the verbal SAT exam. The WordMasters words lists

and analogies, however, have been specifically designed to challenge younger students.

Codi Clark

Paris Independent School District

Scholastic Aptitude Test (SAT)

Score Distributions

Reports present data for high school graduates. Students are counted only once, no matter how often they tested, and only their latest scores are summarized.

Paris High School					
Class of 2010					
Comparison to Texas and National SAT Scores					
	Paris High	Texas	+/-	National	+/-
Critical Reading	528	484	+44	501	+27
Math	537	505	+32	516	+21
Writing	512	473	+39	492	+20
Total	1577	1462	+115	1509	+68

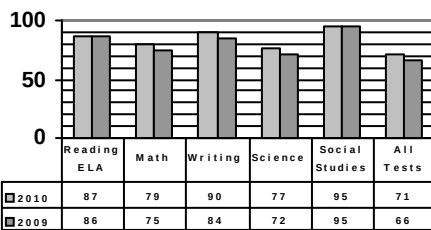

COMPARISON OF SAT SCORES - 2005-2009

Year	Critical Reading	Math	Writing	PISD	Texas	National
2009	505	544	506	1555	1467	1509
2008	529	543	529	1601	1473	1511
2007	546	550	539	1635	1481	1511
2006	529	552	528	1609	1584	1518
2005	520	548	—	1068	995	1028

Duke University Talent Search

Recognized for outstanding academic test scores by the Duke University Talent Identification Program are (left to right) Valery White, Madeline Bruce and Kaden Callihan. Not photographed: Danielle Callaway and Arish Pardiwalla.

Paris ISD has participated in the Duke University Talent Search since 1984. To determine eligibility for participation, the Talent Search identifies academically talented 7th graders based on standardized test scores. Candidates may choose to complete either the SAT Reasoning Test or the ACT Assessment college entrance examination. Students who score at certain levels on the ACT or SAT are invited to attend a State Recognition Ceremony. In addition to the State Recognition Ceremony, students with the highest scores are honored at the Grand Recognition Ceremony at Duke University.

STAR program counseling services, school counselors, Juvenile Probation counselors

Community trash cleanup, blankets made for the needy, and letters to nursing home residents

Parent Day - Fall & Spring

Thanksgiving Feast

Givens Elementary

297 Kindergarten students were tested using the Texas Primary Reading Inventory: 49% scored "developed" at the beginning of the year, and 98% scored "developed" by the end of the year.

32 of the 45 students selected for SY2010-2011 first grade Talent Pool classes attended Kindergarten classes at Givens.

All Prekindergarten regular-education classrooms were Texas School-Ready certified.

All Prekindergarten regular-education teachers were college graduates and fully certified by the State of Texas to teach PK/Early Childhood Education.

All Kindergarten regular-education teachers were college graduates and fully certified by the State of Texas to teach Kindergarten.

A certified paraprofessional/teacher assistant was shared between each of two Kindergarten classes.

Each Prekindergarten class had a full-time teacher assistant.

Kindergarten students participated in guidance activities weekly, and Prekindergarten students participated bimonthly. Classes were conducted by the Early Childhood Specialist.

Kindergarten students went to the library twice weekly, and Prekindergarten students went weekly. Services were provided by a certified librarian.

The Givens campus has a gym managed by a full-time teacher assistant. Kindergarten students attended PE three times per week; Prekindergarten students attended at least two times per week.

There were two full-day Bilingual Kindergarten classes and two half-day Bilingual Prekindergarten classes.

Two Speech Therapists and one Social Skills/ISS Teacher Assistant provided individual and small-group instruction for Prekindergarten and Kindergarten students.

Kindergarten students attended a Waterford computer lab each day and the TechKnowledge computer lab twice per week. Prekindergarten students attended the TechKnowledge computer lab weekly.

A Reading Coach provided K services two days per week, and an Accelerated Reading Teacher provided services daily, in accordance with student academic needs.

A Registered Nurse (RN) and an assistant were available each day to assist students with health issues, including vision and hearing screening.

Breakfast and lunch were served daily, in accordance with federal nutritional guidelines.

All kindergarten students participated in one major musical, with full costuming, each year. Prekindergarten students participated in two sing-alongs or similar activities with parents each year.

Special events honored parents, grandparents, and special friends, including Kindergarten grandparent lunches, Prekindergarten grandparent breakfasts, Kindergarten parent-appreciation luncheons, Prekindergarten rodeo and luncheon, Prekindergarten moving-up ceremony, and Kindergarten graduation.

Local organizations, including Kiwanis Club of Paris and the Lamar County Retired Teachers Association, read to Givens Prekindergarten and Kindergarten students. In addition, "Mr. Jones", a community volunteer, read to Prekindergarten students weekly.

Curriculum-based field trips, the Fall Festival, and the Spring Festival were fully funded by the Givens PTO.

Head Start

Our Parent Policy Council member and five staff members represented the program at the National Head Start Parent Conference in San Jose California in December 2009.

Served 218 children and families in the 2009/2010 School Year.

Dr. Keith Green and staff provided dental screenings for 218 children.

100% of enrolled children received a complete full health assessment and mental health screenings. Follow up assistance was provided as needed.

Provided Early Childhood skill building classes for the parents.

Parents and community members logged 7,925.76 volunteer hours with 528 persons volunteering during the school year.

Community persons, business, local churches, national resources and civic organizations donated approximately \$4,633.12 in funds, toys and clothing for the Head Start Christmas Store.

Provided "Read With Me" Family Literacy program was provided for all Head Start parents/guardians throughout the year.

Fire Station One Firefighters helped with the literacy effort by participating in a "Stop Drop & Read" literacy in the classroom series.

Retired Teachers Association brought the "Books for Children" program to the Head Start campus.

Staff persons participated in 159 training classes.

Provided 99 workshops, meetings and family activities for Head Start families.

A partnership with TCIM yielded new books for our literacy program, winter clothing for students and a series of on campus reading sessions with our students.
