Crockett Student to Represent Paris at State Science and Engineering Fair

After competing at the Regional Science Fair last week in Kilgore, Crockett 6th grader Zain Syed will go on to compete at the 2012 ExxonMobil Texas Science and Engineering Fair on March 28 through 31 in San Antonio.

Syed won 2nd place in the Junior Biological Science division at the regional meet.

Crockett 5th grader Asher Andoe placed 7th in Junior Biological Science.

Other Crockett students who represented Paris at the regional meet were Zachary De La Garza and Easton Vaughan.

Sponsor is Crockett Science teacher Katharine Ashby.

Zain Syed, Crockett Intermediate School 6th grader, has qualified to attend the state science and engineering fair.
