Dear parent or guardian,

The Oklahoma State Board of Health has immunization requirement for seventh grade students to include **Tdap Booster** (tetanus, diphtheria, and pertussis). To meet this requirement, an immunization record must be provided to the school showing the date your child received the vaccine and a signature or stamp of the doctor or clinic that provided the vaccine. If your child has already received this dose, they will not be required to receive it again. Please bring a record of this immunization to the school.

Tdap vaccine is available from your doctor, clinic or healthcare provider and is covered by most health insurance plans. All county health departments also provide Tdap vaccine, especially for children who do not have health insurance. Please contact your healthcare provider or local health department to schedule an appointment or to find out the hours when vaccines are given. For more information about Tdap vaccine please refer to the Oklahoma State Department of Health Immunization Service website at <http://imm.health.ok.gov>. Thank you for your cooperation in keeping our students protected.

Sincerely,

Rick Grimes
