December 4, 2018

Parents and students of Chickasha High School

Cell phones (electronic devices) continue to be an issue, as students are using them very frequently in the hallways during class time...when students have asked to use restroom, etc...

For this reason, beginning January 8, 2019, electronic devices (including cell phones) may only be used before first hour bell, between classes, during lunch and when allowed by classroom teacher.

Phones and other devices may NOT be used during class time, when students may be in the hallways for any reason. Students may be allowed to use cell phone, for emergencies only, IN THE CLASSROOM AND IF ALLOWED BY TEACHER. If a student would rather make that call in private, the call MUST BE MADE FROM STUDENT PHONE IN AN ADMINISTRATIVE OFFICE.

The following consequences will be administered if your student is found to be breaking this procedure...

First offense—3 days of ISR (In School Restriction)

Second offense—5 days ISR

Third offense—3 days OSS (Out of School Suspension)

Fourth offense—5 days OSS (Loss of phone privileges/Parent must pick up phone)

We understand the freedom and independence that cell phones may seem to offer. We feel that during school, especially during class time, students should be focused on their education. We appreciate your understanding and cooperation, and hope that you would help all of our students understand this procedure as well.

Sincerely

Chickasha High School Administrative Team
