Taylor's Talk

Note from the Principal

Nance students now have access to hundreds of online books through a program called Stora. Students at school have their own account that they can also sign into at home. Access at home is free, and you can sign in on any device with an internet connection, including desktops, laptops, and tablets.

Your teacher will be sending home a username and password soon if they have not already done so. Please contact your teacher if you need further help.

Lunchables

If you are sending a Lunchable with your child for lunch time, please make sure they do not have a peanut butter candy included. We are a peanut free school and those candies are not allowed.
