## A NOTE FROM MR. FRAZIER

Hello to everyone,

I want to say thank you for a great start to the year! We appreciate your patience and understanding as we have implemented many changes this school year. New procedures and routines are in place, and students are doing a fine job. Whether you have chosen in-person or virtual school, it is great to have students in class and learning. We all look forward to the day when life returns to normal. Thanks again for your support during this time.

Best,

Heath Frazier
