July 6 - 10th

Paint, Draw, Create Poetry!

Discover famous artists and authors!

Art & Poetry Voyagers Camp will offer a week-long arts enriched, language and science camp for children ages 8-13 years.

FREE to students who pre-register

This program is developed and directed by two talented and accomplished artist teachers—Judi Groves and Ashley Friend— native to Arkansas City, KS. The program uses time travel and ART PROJECTS as a creative and fun way to approach learning some key works from art history and shows the progression of writing and language through different time periods.
