

## Dahlonega Students Enjoy “Best Field Trip Ever”

### Ms. Davis First Grade Class enjoys learning Archery at the Environmental Festival.

Dahlonega first and second graders recently traveled to Tahlequah on Friday, April 11 to attend the 3<sup>rd</sup> Annual Cherokee Nation Environmental Festival which was held at the Talking Leaves Job Corps Center.

The festival celebrated Earth Day, Arbor Week and Environmental awareness for the students.

The students enjoyed a mobile classroom “Grown for You” which provided students a fun and fast look at Oklahoma Agriculture. The trailer used videos, presentations and interactive

games on four 46-inch outdoor TVs. There were several hands on activities for the students, to learn more about water quality, recycling, and other environmental issues. The students also enjoyed jewelry making and stickball.” Said Second Grade Teacher Kelli Miller “It was a very educational experience for the students,” said First Grade Teacher Shelly Davis.

Many of the students won prizes and enjoyed dining at the festival.

According to the students, it was the best field trip ever!
