

# *Certified Nurse Aide (CNA) Certification*

## *Wichita Area Technical College*

### *Summer Program*

#### *May 24-July 23*

---

**What is a CNA Certification?** Prepares students to be caregivers in nursing homes while working under the supervision of licensed nurses. Includes classroom instruction, laboratory and clinical experience. Program meets Kansas State Department of Health and Environment guidelines. Graduates may take the state examination to become a certified nurse aide.

There is no cost for registration or tuition for the course for GHS students currently in grades 10-11 (must be 16 by May 24 to participate). Cost to student will include book purchase/rental and scrubs.

**STEP 1:** Applicants must apply with WATC. Click APPLY NOW and choose HIGH SCHOOL STUDENT.

**STEP 2:** Applicants must also complete PLACEMENT TESTS which can be taken at the SOUTH Campus. No appointment necessary. Plan about 1.5 hours for testing. See [www.watc.edu](http://www.watc.edu) TESTING for days and hours.

**STEP 3:** Additional requirements include: ability to perform certain physical tasks, background check and TB test. For more information regarding these requirements, please go to [www.watc.edu](http://www.watc.edu) and click on HEALTHCARE and Certified Nurse Aide COC link.

\*For high school GRADUATES: You will need to check with WATC for total cost of tuition, and supplies.
