Dear Community Members:

The Bray-Doyle Public School system is looking for volunteers for our Library Book Screening Committee.

We are putting new practices in place to try to ensure the library books we put on the shelves does not contain inappropriate material but we could really use your help.

The Committee will consist of the Librarian, the Principals, the Superintendent, the Counselor, 2 teachers and community members.

The Committee will be responsible for screening new library books to determine if they have inappropriate content in them before they go on the shelves in the library. Committee members will have plenty of time to review new books. These will be books for both the Middle School and the High School. Committee members will proof read books. Should they find content they believe is inappropriate, they simply report it to the librarian or the Principals and the team will review the book for removal.

We would greatly welcome your help. If you are interested, please fill out the form on the back of this page and return it to either, the High School, Middle School or Elementary Offices.

If you have any questions please feel free to call any of the administrators or offices at 580-658-5076.

Thank you.

Sincerely;

Kelli Heinrich, Elementary Principal *Kelli Heinrich*

James Vines, High School Principal *James Vines*

David Eads, Superintendent *David Eads*
