

**I Need a Vacation! 1**

--- guitar ---

Help, I need a vacation now it just can't wait  
Help, I need a vacation to get my head on straight  
School is cool, but I gotta let loose I'm tired of the same old grind  
Help I want it, help I need it I'm going out of my mind

I could walk, I could run, I could ride my bike  
Go swimming in the swimming pool  
I could go to camp, I could go on a hike  
(teacher - on CD) Or you could all go to summer school  
No! - - - we need a vacation!

- guitar - **Hit the Beach 4**

Come on everybody, listen to a rock and roll beat  
Time to get going and jump out of your seat - (shout) come on!  
Gonna take a few vacation days  
Gonna head to a spot, gonna catch some rays  
Goin' straight for the sun and hit the beach today

**- Whoa - - -, whoa, whoa, whoa, whoa**  
**Hit the beach, we're gonna hit the beach**  
**- Whoa - - -, whoa, whoa, whoa, whoa**  
**Hit the beach, we're gonna hit the beach**  
**Come on everybody join the caravan**  
**Gonna head to the sand, gonna work on my tan**  
**We'll ride a wave when we hit the beach today**

**Are We There Yet? 2**

Waking up at dawn to get an early start  
Is just not my idea of having fun  
Loading up the trunk getting ready to depart  
Our family vacation has begun

**Travelin' down the road haulin' quite a load "**  
**Seeing things that no one could forget**  
**Miles and miles of fun just headed for the sun**  
**When someone always yells, "Are we there yet?"**

(slower)  
Now we're running out of gas  
I almost wish I was in class  
(spoken) What am I saying?  
Then someone finally yells, "We're here!" - - -

**Gone Fishin' 3**

Don't need a big vacation, don't need a fancy trip  
Don't need to visit Aunt Louise or sail upon a ship  
Just give me space with water all stocked with perch and bass  
Gonna make a date with a little bait and we'll watch vacation pass

**Gone fishin', got my favorite pole**  
**Gone fishin' down at the swimmin' hole**  
**And I'm wishin' the world would let me be**  
**And we could be together fishin', you and me**
