

Elkins School District uses School Messenger to send out alert calls and information to parents and/or guardians regarding school activities and events, early dismissal times and weather closings. Phone numbers and email addresses are imported from the Student Information System.

Parents and/or guardians may also opt to receive SMS messages. There are two steps to receive text messages:

1. Ensure your preferred mobile device number is on file with your school(s).
2. Text **YES** from the device(s) to **68453**.

Aprx. 3 msg/month. Msg&data rates may apply.

The district also has a mobile app available in the Apple iTunes store or in the Google Play store.

Search for ElkinsSD and download to your device. Push notifications can be configured within the app.
