

BBBB New Member Orientation

BBBB

Newly elected members of the board shall be invited to attend all meetings of the board prior to the time they officially take office except when the board is in executive session (See BCBK). Newly elected and newly appointed board members shall be encouraged to attend workshops for new board members sponsored by the Kansas Association of School Boards.

Present members of the board and the superintendent shall conduct an appropriate orientation program designed to acquaint new board members with the district, board policy, duties, responsibilities and other activities.

Newly elected board members shall receive copies of all agendas, reports and other communications normally received by current board members except information or material of a confidential nature.
