

WJRC's Director Report for January BOE Meeting

Things are very busy here at WJRC this time of year. We are beginning our basketball games and juggling our practices with the limited gym availability – this time of year is busy for EVERYONE! We are close to finalizing our employee W-2s and will get those out, and we are getting close to opening registration for spring/summer sports.

We are looking forward to spring and warmer weather so we can focus our energy on getting the complex ready for ball season. We are also in the beginning stages of “fortifying” the complex’s security to ensure the vandalism incidents stop (or we are able to find out who is responsible). With the amount of time, money and energy spent out at the complex, WJRC is doing our best to make sure it is one of the best venues for baseball/softball around!
