CARE

A student placed in foster care by an agency of the state or a political subdivision, and whose foster parents reside in a district, shall be permitted to attend district schools free of any charge to the foster parents or to the agency. No durational residency requirement shall be used to prohibit such a student from fully participating in all activities sponsored by a district. *Education Code 25.001(f)*

A student who was enrolled in a primary or secondary public school before the student entered the conservatorship of DFPS and who is placed at a residence outside the attendance area for a school or outside a district is entitled to continue to attend the school in which the student was enrolled immediately before entering conservatorship until the student successfully completes the highest grade level offered by the school at the time of placement without payment of tuition. The student is entitled to continue to attend the school regardless of whether the student remains in the conservatorship of DFPS for the duration of the student's enrollment in the school. *Education Code 25.001(g)*

If a student who is in the conservatorship of DFPS is enrolled in a primary or secondary public school, other than the school in which the student was enrolled at the time the student was placed in the conservatorship of DFPS, the student is entitled to continue to attend that school without payment of tuition until the student successfully completes the highest grade level offered by the school at the time of enrollment in the school, even if the child's placement is changed to a residence outside the attendance area for that school or outside the district. The student is entitled to continue to attend the school regardless of whether the student remains in the conservatorship of DFPS for the duration of the student's enrollment in the school. *Education Code 25.001(g-1)*

The appropriate state agency shall coordinate with the district to ensure that the case plan for a student placed in foster care contains a plan for ensuring the educational stability of the child while in foster care, including ensuring that the child remains in the school in which the child is enrolled at the time of each placement, or if remaining in that school is not in the best interests of the child, providing immediate and appropriate enrollment in a new school, with all of the educational records of the child provided to the school. 42 U.S.C. 675(1)(G)
