NEWS FROM ALPINE ELEMENTARY SCHOOL

NOVEMBER 10, 2014

The halls were full of fun sights during the Costume Parade on October 31st. The parade is held annually as part of Red Ribbon Week. The theme was "Say 'Boo!' to Drugs". Our 4th Grade Science teacher, Mrs. Nancy Bustamante, even had a mysterious bubbling beaker. Her science classes had some interesting experiments that day.

A local family lost their home to fire this week. Donations of new or gently used clothing, etc. will be collected by AES during the month of November. Collection bins are located at the main entrances. Please see our website or the special note for more details.

Alpine ISD is excited to help host the Family Leadership Institute in conjunction with the Alpine Public Library. The first meeting will be Saturday, November 8th from 9am to 2pm. Click on the FLI link on our website for more details.

If I can help you with any questions or concerns, please feel welcome to call me or stop by to visit.

Sincerely,

Julie Wright, Principal
