

Pioneer Families,

As we near the beginning of a new school year, I wanted to provide families with our plan to reopen. Pioneer School will continue to meet with professionals in the medical field at the state and local levels for guidance as we make decisions for the upcoming school year. The health and safety for all students and staff will always be our top priority.

Pioneer school is committed to providing a safe return to school with as close to a traditional school day as possible while implementing safety guidelines as outlined by public health officials. In order to meet this goal, Pioneer School will be implementing the following guidance during the 2020-2021 school year.

- ▶ **Each child will be issued their own Chromebook for the school year.**
- ▶ **Students will not be using community supplies. Supplies do not have to be in one box.**
- ▶ **Air Purifiers / Ionizers installed in every HVAC unit in the school.**
- ▶ **Pioneer has purchased Clorox 360 Machines for daily deep cleaning of the school.**
- ▶ **The school will make masks and face shields available to all staff and students.**
- ▶ **Mask and or face shields are available but are not required of students.**
- ▶ **Online curriculum from a single platform. Curriculum for all grade levels will be available from a single source should the school be made to return to distance learning.**
- ▶ **Outdoor classroom experiences encouraged including Physical Education.**
- ▶ **Each classroom teacher will have the ability to monitor temperatures as necessary.**
- ▶ **Students who have a temperature of 100 degrees will not be allowed to stay at school.**
- ▶ **Parents will not be allowed to walk students into the building. You may walk your child to the door but please do not enter the building.**
- ▶ **All visitors must go through a temperature screening. Visitors may be asked to wear a mask.**
- ▶ **Staggered lunch times to provide social distancing.**

**Only students eating breakfast will be allowed in the cafeteria in the mornings before school. All other students will report to their homeroom. Teachers will be available to receive kids by 7:50 a.m. each day. Access to the building will be limited prior to 7:50 a.m.**

**▸ Traditional School Enrollment will open July 20, 2020 and will be completed online. Forms will also be made available in the school office and classrooms during Open House on August 6, 2020.**

**▸ Student Enrollment Application can be completed online. Enrollment Documents will need to be printed, signed and returned to the school. Only complete the Athletic Form if your child(ren) will participate in athletics.**

**▸ Free and Reduced Application for Meals may be completed online but then must be printed and returned to the school.**

**▸ Home Language Survey is only for new students to Pioneer. Returning Students Do Not Need to Complete.**

**▸ Open House will be through appointment or virtual meetings only with your child's teacher. Classroom / Teacher Assignments will be released prior to August 1, 2020.**

**▸ Pioneer families will have the option of enrolling their students in a Virtual School Model. This option is available for any family who wishes to keep their child at home due to health concerns. The virtual school will allow for your child to still be a Pioneer Warrior. Please call the school for more information and enrollment into the Virtual School option.**

Please contact the school if you have any questions. (405) 224-2700

Pioneer School is committed to providing a quality education to every child! The safety of the students and staff will continue to drive our decisions as we move toward the **first day of school on August 13, 2020**. We look forward to having your child back in school.
