

Thanksgiving Food Drive

Collection Week November 18th-22th

Pioneer School will be participating in a service project this month. We will be having our annual **“Thanksgiving Food Drive”** to help stock the food pantry at the Resurrection House, the local homeless shelter in Chickasha. Students are encouraged to participate in this food drive and help others that are less fortunate during the holiday season. Students can help with the food drive by selecting an item or items from the list below. Please bring your items to Mrs. Bray during the week of **November 18th-22nd**. Thank you for helping the “Pioneer Family” give back to our community! **If you are bringing frozen items or things that need to be refrigerated, please **DO NOT** bring them until the last day Friday 22nd due to limited refrigerator/freezer storage space, thank you!*
