Re: Snack Pak 4 Kids

I am writing of a new program started in Higgins ISD that is helping kids have something to eat on weekends. This program works on contributions only and has been implemented in Higgins ISD for a few weeks now. I promise you, it warms the heart of anyone who sees the excitement in the eyes of these students when they see their snacks.

As with any good program it takes dollars to operate. Snack Pak 4 Kids is operated through donations and our school has not been out one dime. We have 1/6 of our students across all grade levels benefit from this program.

I would encourage you to help in supporting this program. You may donate to:

Snack Pak 4 Kids
701 Park Place Avenue
Amarillo, TX 79101

Put Higgins in the memo line of your check. If you want to bring your checks by the school we will mail them for you.

Please know that one of our community members brought this wonderful program to our students. The students keep asking us who is providing these snacks. Starting today, our response is, "people who love you." Any amount of money will help!
