## Life is SWEET at NPS

Now that we are all settled into a routine, I want to say again how thankful I am for you - the parents, family, and friends of our wonderful students. Everything is running as it should and that is, in large part, due to your cooperation, patience, and understanding. Even the car line is running at a much better pace! Thank you!

We currently have 577 students enrolled at Nashville Primary.

Kindergarten - 176    Second Grade - 145  
First Grade - 122    Third Grade - 134

If the first month is an indication of how the rest of the year will go, we are in for something very *special* for the 2019-2020 school year!

Help us continue to encourage your kids to keep up the great behavior and hard work. We celebrated August good behavior with *Popsicles with the Principals*.

If haven't already, "like" our Nashville Primary Facebook page. It's a terrific way to stay up-to-date on events, celebrate student successes, and participate in our weekly *Primary Story Time*.

If you need anything at all, feel free to call.

If your child has a change of transportation home in the afternoon, please send a note or call before 2:00. Without a call or a note, we will go with the regular transportation we have on file.

## School to Home Communication

As 1<sup>st</sup>-3<sup>rd</sup> grade parents, you can login to Nashville Primary School's Home Access Center and see your child's grades. This requires a password that will be sent home with the progress reports. The 3<sup>rd</sup> graders have already taken their passwords home.

Each teacher also uses the **Remind** app to stay connected with parents. Information is sent by email or texts. Notify your child's teacher if you are not enrolled in **Remind**.

Email is another fabulous way to stay in touch with your child's teacher. School emails for all employees follow the same configuration.

We also have **Nashville Primary Facebook** and **Instagram** pages. Both are excellent ways to see what is going on campus. Share these pages with grandparents!
