Elementary School: (580) 371-2548***

Good Afternoon,

The Tishomingo Athletic Department would like to say thank you to the parents and members of this community for your cooperation and flexibility in supporting the District's best efforts to respond to this pandemic. As always our top priority is to keep our student athletes as safe as possible while still getting to compete. Factors including Governor Stitt's recently released new guidelines for indoor events along with the number of active COVID-19 cases in Johnston County climbing to an all time high this last week have resulted in the District adjusting the number of occupants in our gymnasium for home high school basketball games. Our number one goal is for our student athletes to be able to participate playing in as many games as possible in a safe environment. We have been very fortunate so far season and we want to continue in that direction. Once again Thank You for your understanding and this will take effect on Friday January 15, 2021. If you have any questions feel free to email at cnabors@tishomingo.k12.ok.us.

1. You must have a mask to enter the gym. (Temperature will still be taken at the door)
2. Only 100 Vouchers will be sent to the visiting team. (This will not include administration)
3. Visiting Cheerleaders will not be allowed in the gymnasium.
4. We will give 4 vouchers per player (15 player roster) for boys and girls and each cheerleader will get 4 vouchers for Home games.
5. We will no longer be allowing the extra 50 students.
6. We no longer be able to allow 50 additional spectators (A voucher must be presented to enter the gym).
7. We ask that you continue to social distance in the stands as much as possible.

Thank you again,

Clint Nabors
