High School: (580) 371-2322
Elementary School: (580) 371-2548

Dear Parent/Guardian:

Your child received a parent/guardian username and password to check grades and attendance and to check and add money to meal account balances. The link to log in can be found on the school website on the bottom right side under Student/Parent Links. In the past you have had to log in. You should be able to see all your students (from all sites) when you log in. If you did not receive the information, please contact your school site.

Breakfast and Lunch Accounts: This is a NEW FEATURE. Money can be added to a student's meal account online with a credit card or PayPal. There will be a 2.99% + 30 cent per transaction fee that will be taken out and then the rest will be applied to the account. You can place one transaction and add money to all your students' accounts, so you are only charged the fee one time. When you log in go to the lunch/meal link. There you will find the payment link that will take you to the PayPal site. Log in to use PayPal or choose the option under the log in to use a credit card. Once the payment is process, you will see the change in your student's meal account balance.

Please note: Our meal policy requires prepayment. This means your child should always maintain a positive account balance. If your student currently has a negative balance use this credit card convenience to get it up to date.

If you need assistance, please call your site: Elementary 580-371-2548, Middle School 580-371-3602 or High School 580-371-2322. We hope this provides timely information about grades, attendance and account balances to better serve you.

Sincerely,

Tishomingo Public Schools
