

Dear Parents,

Welcome to Kindergarten! I'm so excited about having the privilege of teaching your child this year. I believe that the first year of school is very important to a child. It is my goal to see that everyone likes school and I know you'll help by giving your child lots of support and understanding.

We'll be learning how to do many things while at the same time having fun. Please spend some time each day discussing what happened at school so your child will know that school is important to you, too. Make it a habit of checking your child's backpack after school each day. Help them to put the things that you need to be returned back into his backpack for the next day.

Your child is bringing home a list of rules which we have gone over in class. It would be good to discuss them together. Everyone is expected to follow these rules to keep a pleasant atmosphere in our classroom.

Please feel free to come and talk to me if you have any questions. It is very important that we work together to make your child's kindergarten year very special. The school's phone number is 635-4701. My home phone number is 965-7840 and my cell phone is 965-3538. You may also send a text to me if you would like to leave a message. I look forward to having your child in my classroom.

Sincerely,

Mrs. Vernon
