

Haskell Public Schools
Mr. Doyle Bates, Superintendent
Muskogee County 51 (918) 482-5221 District I002

March 28, 2018

Dear Parents:

In light of the pending work stoppage, the school has partnered with several organizations to create the opportunity for your student to receive lunch until school resumes. We are needing to get a head count for each site so that these organizations can prepare. We would greatly appreciate your cooperation. If your children will be participating, please circle the site of your choice, so that we can get an estimate for each organization.

Haskell First Assembly of God Church

Haskell First Baptist Church

Haskell First Free Will Baptist Church

If your children intend to participate, how many should we prepare for? _____

Lunches will be served from 12:00-1:00.

Please return this form by **Thursday, March 29th** so that we are prepared for your children.

Thank You!
Doyle R. Bates
