Dear Parents/Guardians,

Andover USD 385 is excited to announce an online student registration/data validation system for the upcoming school year, powered by InfoSnap. The system is a secure and green process, which allows the district to gather and verify all student demographic information for your child prior to the start of the new school year. The system will also allow you to electronically sign affirming that the information is true, correct and complete, to the best of your knowledge and belief.
