

STUDENT EXTRACURRICULAR ACTIVITIES CONTRACT

Statement of Purpose and Intent

Participation in school-sponsored extracurricular activities at the Yale school district is a privilege and not a right. Such privilege is governed by the district policy on Student Possession or Use of Alcohol and Illegal Drugs and Participation in Extracurricular Activities (policy FNCFD). Alcohol and illegal drug use of any kind is incompatible with participation in extracurricular activities on behalf of the Yale Public Schools. Students who participate in these activities are respected by the student body and are expected to hold themselves as good examples of conduct, sportsmanship, and training. Accordingly, student participants in extracurricular activities carry a responsibility to themselves, their fellow students, their parents, and their school to set the highest possible examples of conduct, which includes avoiding the use or possession of alcohol or illegal drugs.

Participation in Extracurricular Activities

For the safety, health, and well-being of the students of the Yale Public Schools district, the district has adopted the attached policy on Student Possession or Use of Alcohol and Illegal Drugs and Participation in Extracurricular Activities (policy FNCFD) and this Student Extracurricular Activities Contract, which shall be read, signed, and dated by the student participant and parent or custodial guardian before such participant shall be eligible to practice or participate in any extracurricular activity. No student shall be allowed to practice or participate in any extracurricular activity unless the student has returned the properly signed Student Extracurricular Activities Contract.
