Dear Parent/Guardian:

This letter is to inform you that the Liberty-Eylau Elementary Campus has been identified under the Public Education Grant (PEG) Program as being rated an F campus. As the parent/guardian of a student enrolled at this campus, you may make an application to attend a campus in any other school district for the 2020-2021 school year. A student may only transfer from a PEG school to a Non-PEG school. A school district chosen by you under this statute is entitled to accept or reject the application for the student to attend school in that district, but may not use criteria that discriminates on the basis of a student's race, ethnicity, academic achievement, athletic abilities, language proficiency, sex, or socioeconomic status. Liberty-Eylau is a single attendance district and there is no option for intradistrict transfer, which would allow the transfer of your student to another elementary campus within Liberty-Eylau ISD's boundaries for the 2020-2021 school year. Student eligibility for PEG transfers expire upon either one of the following two conditions:

1. Completion of all grades offered by the campus upon which eligibility was originally based or
2. Assignment of the student to a campus that is not on the PEG list as a result of redrawn attendance boundaries or student movement into a different attendance area.

Please understand that Liberty-Eylau ISD is not required to provide transportation from Liberty-Eylau Elementary to any new school. The district is only responsible for providing the transportation it would otherwise provide (as if the student did not transfer).

More information on the PEG program is available online at: <https://tea.texas.gov/PEG.aspx>

Sincerely,

Ronnie Thompson
Superintendent
