

July 22, 2011

Dear Haworth Schools Parents, Alumni, and Community Members:

Our marquee sign memorial paver project was finally completed this week. We appreciate your contribution to this project and invite you to come by soon to see your pavers/bricks underneath the sign. The sign is located near the Haworth Schools middle entrance gate.

The proceeds from our paver/brick fundraising projects will be used to restore and frame past years graduate pictures to be placed in the new junior high and high school buildings. The next few weeks we will take orders for memorial pavers/bricks for benches and sidewalk areas around those benches. Each 4"x 8" brick is \$50.00 and can be inscribed with up to three lines (thirteen character letters per line). Sponsors who donate \$500.00 or more can purchase a 12"x 12" brick with inscriptions up to six lines (twenty characters per line).

Purchase your paver/brick with your name and year of graduation or years attended Haworth Schools. Show your appreciation to your favorite faculty member, commemorate friends, remember loved ones, or congratulate new graduates. For more information, contact Haworth Schools Superintendent, Ted Brewer at (580) 245-1472 or email tbrewer@haworth.k12.ok.us; or Audie Smith at (580) 245-1472, ext. 202, a.smith.93@hotmail.com.

For your convenience, complete an order form and return or mail to: Haworth High School, Attn: Audie Smith, HC 73 Box 1, Haworth, OK. If more than one brick is purchased, please make copies of order form and fill out inscription information for each brick. Order forms are available at the Haworth businesses, Haworth Schools administration offices and elementary and high school library media centers. Also, the order forms can be downloaded from the Haworth School Alumni Facebook page and the Haworth Schools website at <http://www.haworth.k12.ok.us/>. Click on link called Paving Stone Order Form.

We appreciate your continued support of Haworth Schools.

Thank you,

Ted Brewer
Superintendent
