

Dear Colwich Elementary School parents/guardians,

Your child's class (all kindergarten, first, and second grade students) will be attending a field trip on April 25th from 12:30-2:30 in Garden Plain to take part in our FIRST annual "Careers on Wheels" event! This event will teach your student about different careers that "move" in our communities. Students will get to tour a police car, ambulance, mail car, lumber truck, fire truck, limousine, and many more vehicles.

***PARENT VOLUNTEERS NEEDED!** If you are willing to volunteer for this event please contact Mrs. Hett as soon as possible!

If you have any questions about careers on wheels, or if you know of another vehicle that we could add to the line-up, please contact our school counselor, Mrs. Hett at ashley.hett@usd267.com

Thank you!

Mrs. Hett
