Q & A of the Week:

Where can I buy plaid uniforms?

Due to the recent closing of Parker School Uniforms, CES has found a new vendor!

Samples of Tommy Hilfiger School Uniforms will be displayed by the music room during conferences. The new plaid design is fresh and less expensive than Parker. This brand has many great options for both boys and girls. Please stop by to see the new fabrics and style options on Feb 13 - 15.

CES is also adding NAVY as a color option for polo shirts!

You are welcome to purchase uniforms by any store/vendor except the PLAID will need to be ordered via Tommy Hilfiger. Parker Plaid items may be worn as well.
