

Support our School!

Dear Parents,

Want an EASY way to help earn money for our school? You can help us by considering the Scrip program. We have gift cards from over 400 local and national retailers – from Walmart to Walt Disney World. Our HSO buys these gift cards at a discounted rate and then sells them to you at face value. We generate profits ranging from 2% - 20% on items/gifts you plan to buy anyway. In fact, several local families do just that! They buy gift cards *monthly* and use them to purchase the groceries and necessities they would have anyway. Included is an order form for some of the national retailers located in the Wichita area. If you go to www.scripzone.com, however, and click on the retailer you can see all of the cards that can be purchased, including restaurants, airlines, hotels, and more. All you need to do is return the order form with payment, and we will get them sorted and returned to you. It's that easy! The school receives money and you can do your shopping! This is a year round program as well, so you can buy gift cards for multiple occasions. The Scrips order is placed on the 10th of each month and the turnaround very fast — the cards here usually within three days, unless it is a weekend.

If you have any questions, please feel free to let us know and we will do our best to answer them.

Thank you!
